Folks, Please send me your comments for this year's race so that I can put it on the BOS Consent for an upcoming meeting. Please note the change being considered about the start/stop at the High School Track

Subject: Second Annual ActonTurkey Trot

Hi Christine,

Thank you for your help in granting us the permit to hold last year's Acton Turkey Trot it was a great event that was a nice mixture of a family fun run and race for serious runners. The 2009 race results are posted on http://www.coolrunning.com/results/09/ma/Nov27_ActonT_set1.shtml

The big reason for the is email is I wanted to start the process to get permitted for the Second Annual Acton Turkey Trot. We are hoping to raise more money from sponsors and get a few more runners/family walkers by starting earlier this year. Last year we had 511 signed up and 292 people that actually did the race. We were able to donate some food that race participants brought with them and over \$6000 to the pantry.

I have spoken briefly with Mr. Cowan and believe it went well for him and his officers but we are open to his thoughts and suggestions. We would like to hold the event on November 26th which is the Friday the day after Thanksgiving this is the same day of the week that we did last year. We want to do the same route as last year but we are exploring having it start and stop on the high school track instead of the parking lot in front of the Parker Damon Building.

Thank you and please let me know what I should do to help get this approved.
