Dear Kim:

The Sidewalk Committee requests that the developer consider a donation to the sidewalk fund so we can eventually build a sidewalk the whole length of Great Road.

Thank you.

Sincerely,

Bettina Abe, Sidewalk Committee

Subject: regarding 16-26 Sachem Way McCarthy Village

Dear Kim:

The Sidewalk Committee submits its customary request to developers that they please plan to build a section of missing sidewalk near their proposed construction site, or make a donation towards an upcoming sidewalk project.

Currently we have 3 sidewalk sections on Great Road in desperate need of a sidewalk. The section on our list that is closest to this development is a gap (lack of sidewalk) between Acorn Park to Nonset Road by Nagog Pond.

However, we would also appreciate a funding donation towards two other higher priority sidewalk projects; one is Great Road from Davis Road to Main Street and the other is Great Road from Main Street to the Woodvale condominiums.

Thank you for passing this request on to the BOS to present to the developers at their upcoming hearing.

Sincerely,
Bettina Abe
Acton Sidewalk Committee
