Hi Margaret,

I'm confused about references to a Phase III in earlier documents, since none of our draft text mentions that. Looking at the graphic Sue recently sent, which may have been developed by Planners Collaborative during phase I, it looks like they were imagining Phase III was the Town meeting vote and beyond. But the graphic indicates that town meeting will be voting on the "goals and objectives" not the "prioritized strategies and objectives" and I thought the latter was an inherent part of the master plan that we hope to bring to Town meeting. Also, if you look at the summary page of the phase I report (<http://www.actonoutreach.com/pdfs/Acton%20Report%20at%20a%20glance.pdf>), that describes phase III as the compilation of ideas into an action plan (what I assume is the Master Plan) that will *then* be brought to Town meeting. The contract with Planners Collaborative is for Phase II but I thought it included the development of the plan that would be brought before Town Meeting. Celia

Thanks, Jim, for getting us going here. For those of you not at our last meeting, we decided to have a meeting on Wednesday, Sept 1<sup>st</sup> in addition to the meeting on Wed. Sept 8<sup>th</sup> (which will be with the consultants). Our goal for the Sept 1<sup>st</sup> meeting is to be able to have the acton 2020 website ready to use to recruit people for our advisory groups and also to start advertising the outreach event on Oct. 20<sup>th</sup>. We will NOT be holding a meeting on Wednesday, August 25<sup>th</sup>.

Best,
