Subject: plans for land at 57 Robbins Street

Hi, I live at 10 Overlook Drive in Acton and am concerned about plans to develop the land currently located at 57 Robbins Street. As a parent of three children, I worry that it will be dangerous for children to navigate around the neighborhood if vehicles are exiting with the particular rise in the road which makes it difficult for all drivers to see each other. I'm also concerned about the likely negative effects to the endangered species and other wild life that currently live in the area. In addition it would be a shame to lose so many trees. One of the things I have valued most about the neighborhood (other than the wonderful neighbors, of course) is its safety and the environmental beauty. Thank you for hearing my thoughts.

Sincerely,
Mariko Chang
