Dear Nina:

Enclosed is a Certificate of Appropriateness from the Historic District Commission for the additional ornaments to your fencing at 487 Main Street.

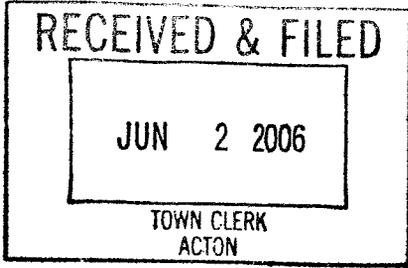

As you know, the application was approved unanimously by the HDC at its meeting on June 19 as compatible with the property and the surrounding historic district.

I am also enclosing a Certificate of Non-Applicability, as requested, for the shutters you have proposed. They will be excluded from HDC review because it is our understanding that they will be identical in material, design, proportion, etc. to the existing shutters on the house. If anything changes in that regard, please let us know.

Good luck with the work. Please let us know if you have any questions.

Sincerely,

Anne Forbes
