**Cc:** Historic District Commission; Historical Commission; South Acton Train Station Advisory Committee; Neel Chaudhury  
**Subject:** South Acton Train Station Agenda Item

Hi,

I spoke to Jamie Eldridge regarding the latest information on the Train Station plans. He has been in contact with all the government entities involved and will be having a meeting with the MBTA Fitchburg Line project staff today. We will postpone any action until we hear the results of these discussions.

Thank you very much.

Lauren
