RE: Michele Circle – Application for Definitive Subdivision
348 - 352 Main Street, Acton, MA

Dear Mr. Bartl and Members of the Board:

This letter serves as applicant's request for grant of extension for the subdivision plan endorsement date from June 24, 2011 to January 24, 2012. The reason for this request is the Resolution passed by the voters at the Acton Town Meeting on April 5, 2011 regarding negotiations which would possible affect the above-referenced property.

Please contact me should you have any questions regarding the same.

Very truly yours,
WALKER REALTY LLC
