

Focus on:

- continuing use of cluster zoning to protect open space
- encouraging small scale commercial development; especially in the villages
- continuing open space acquisition/protection

Today. Tomorrow. Together.

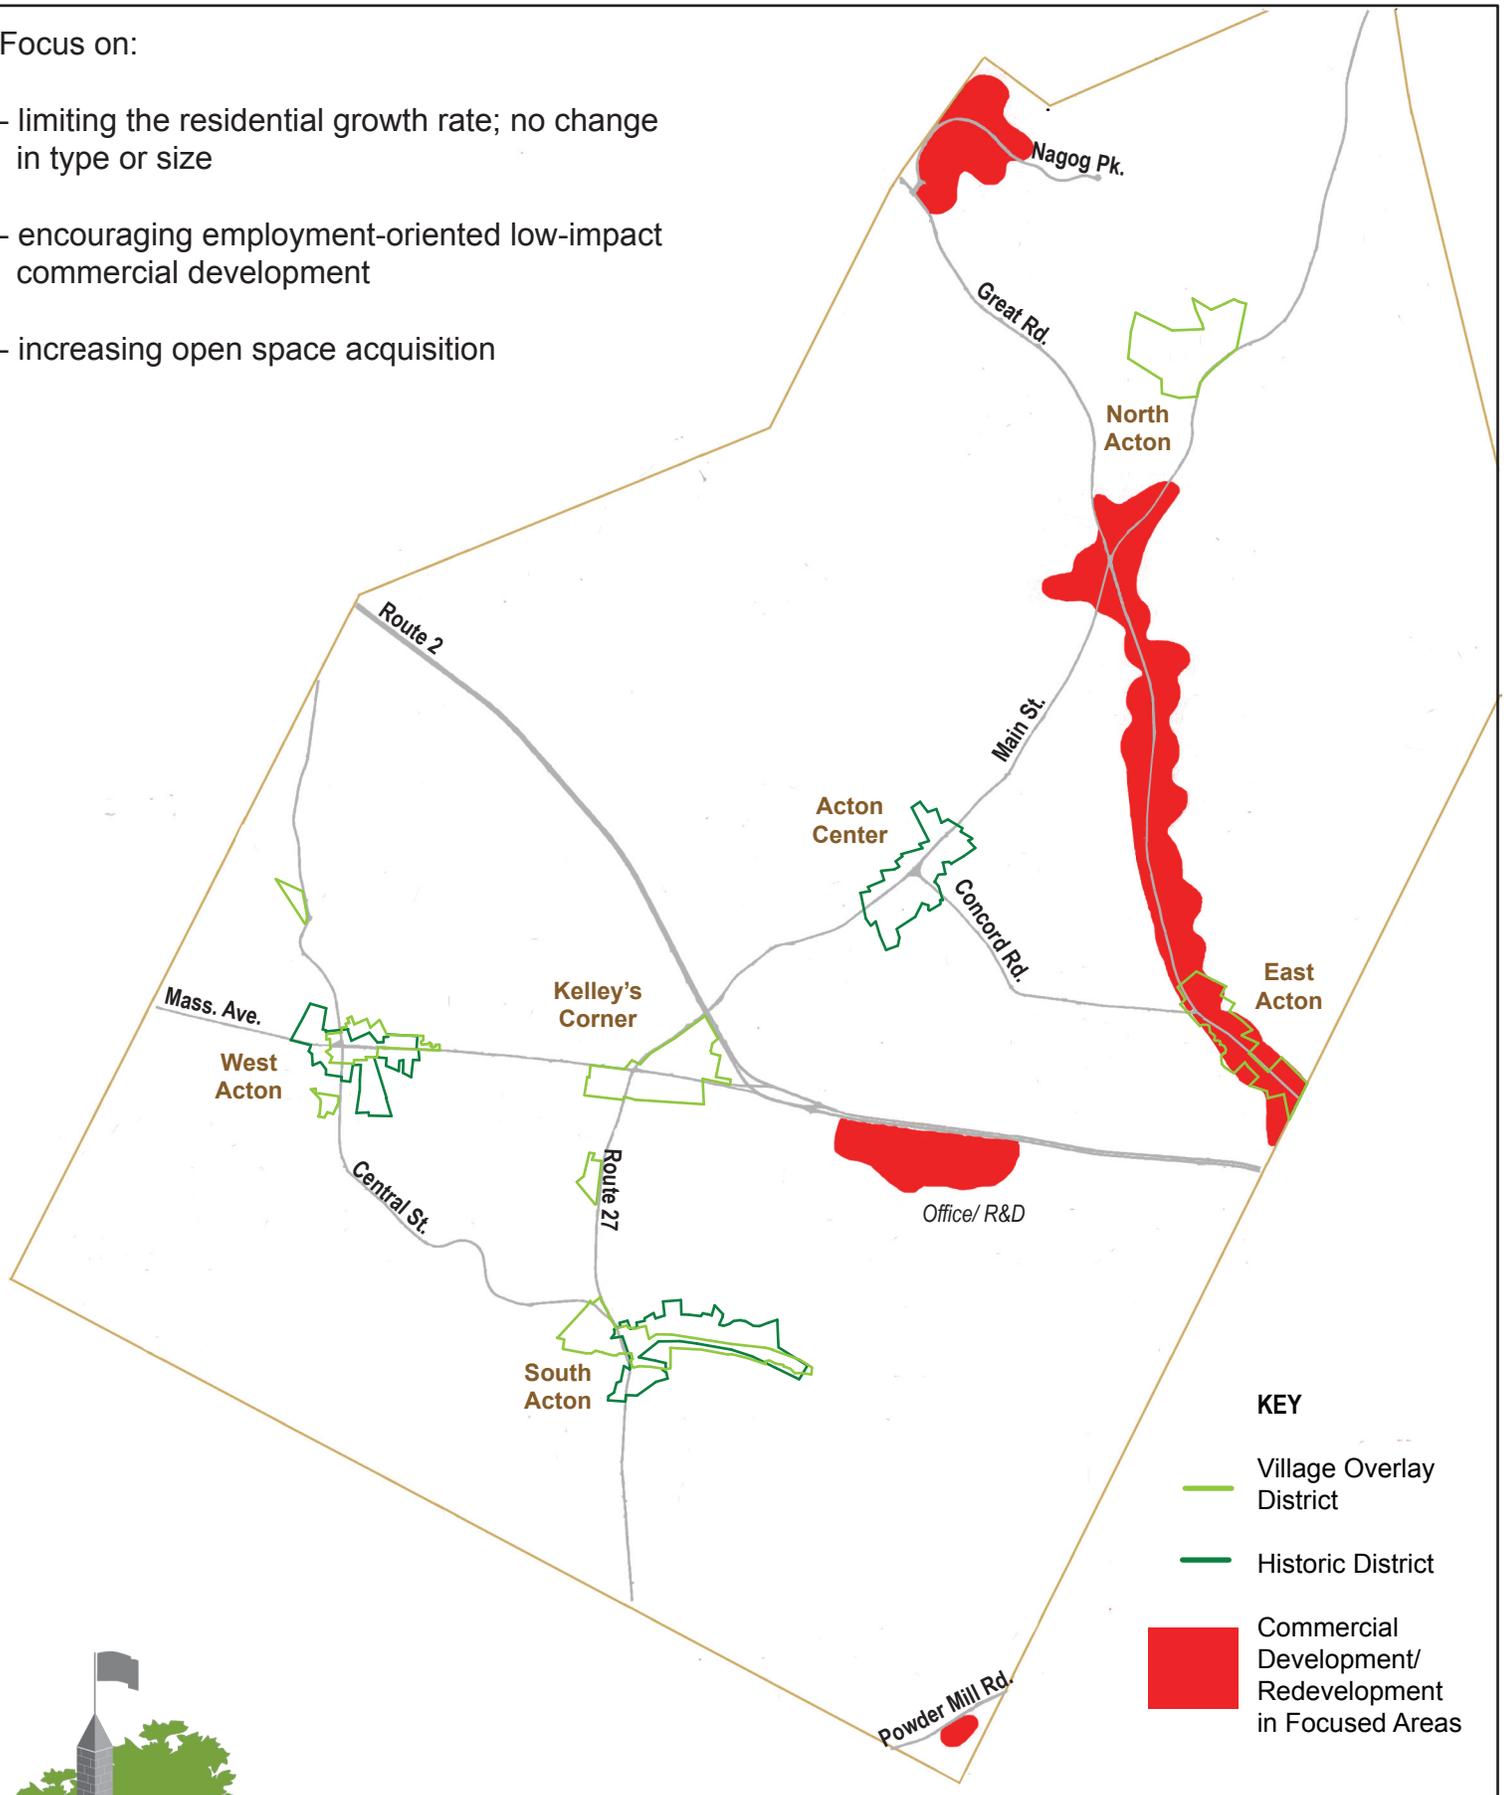

## Acton 2020 **CHOOSE YOUR ACTON**

Alternative 1: Disperse Growth

Extend Current Trends/Continue Present Planning Policies

Focus on:

- limiting the residential growth rate; no change in type or size
- encouraging employment-oriented low-impact commercial development
- increasing open space acquisition

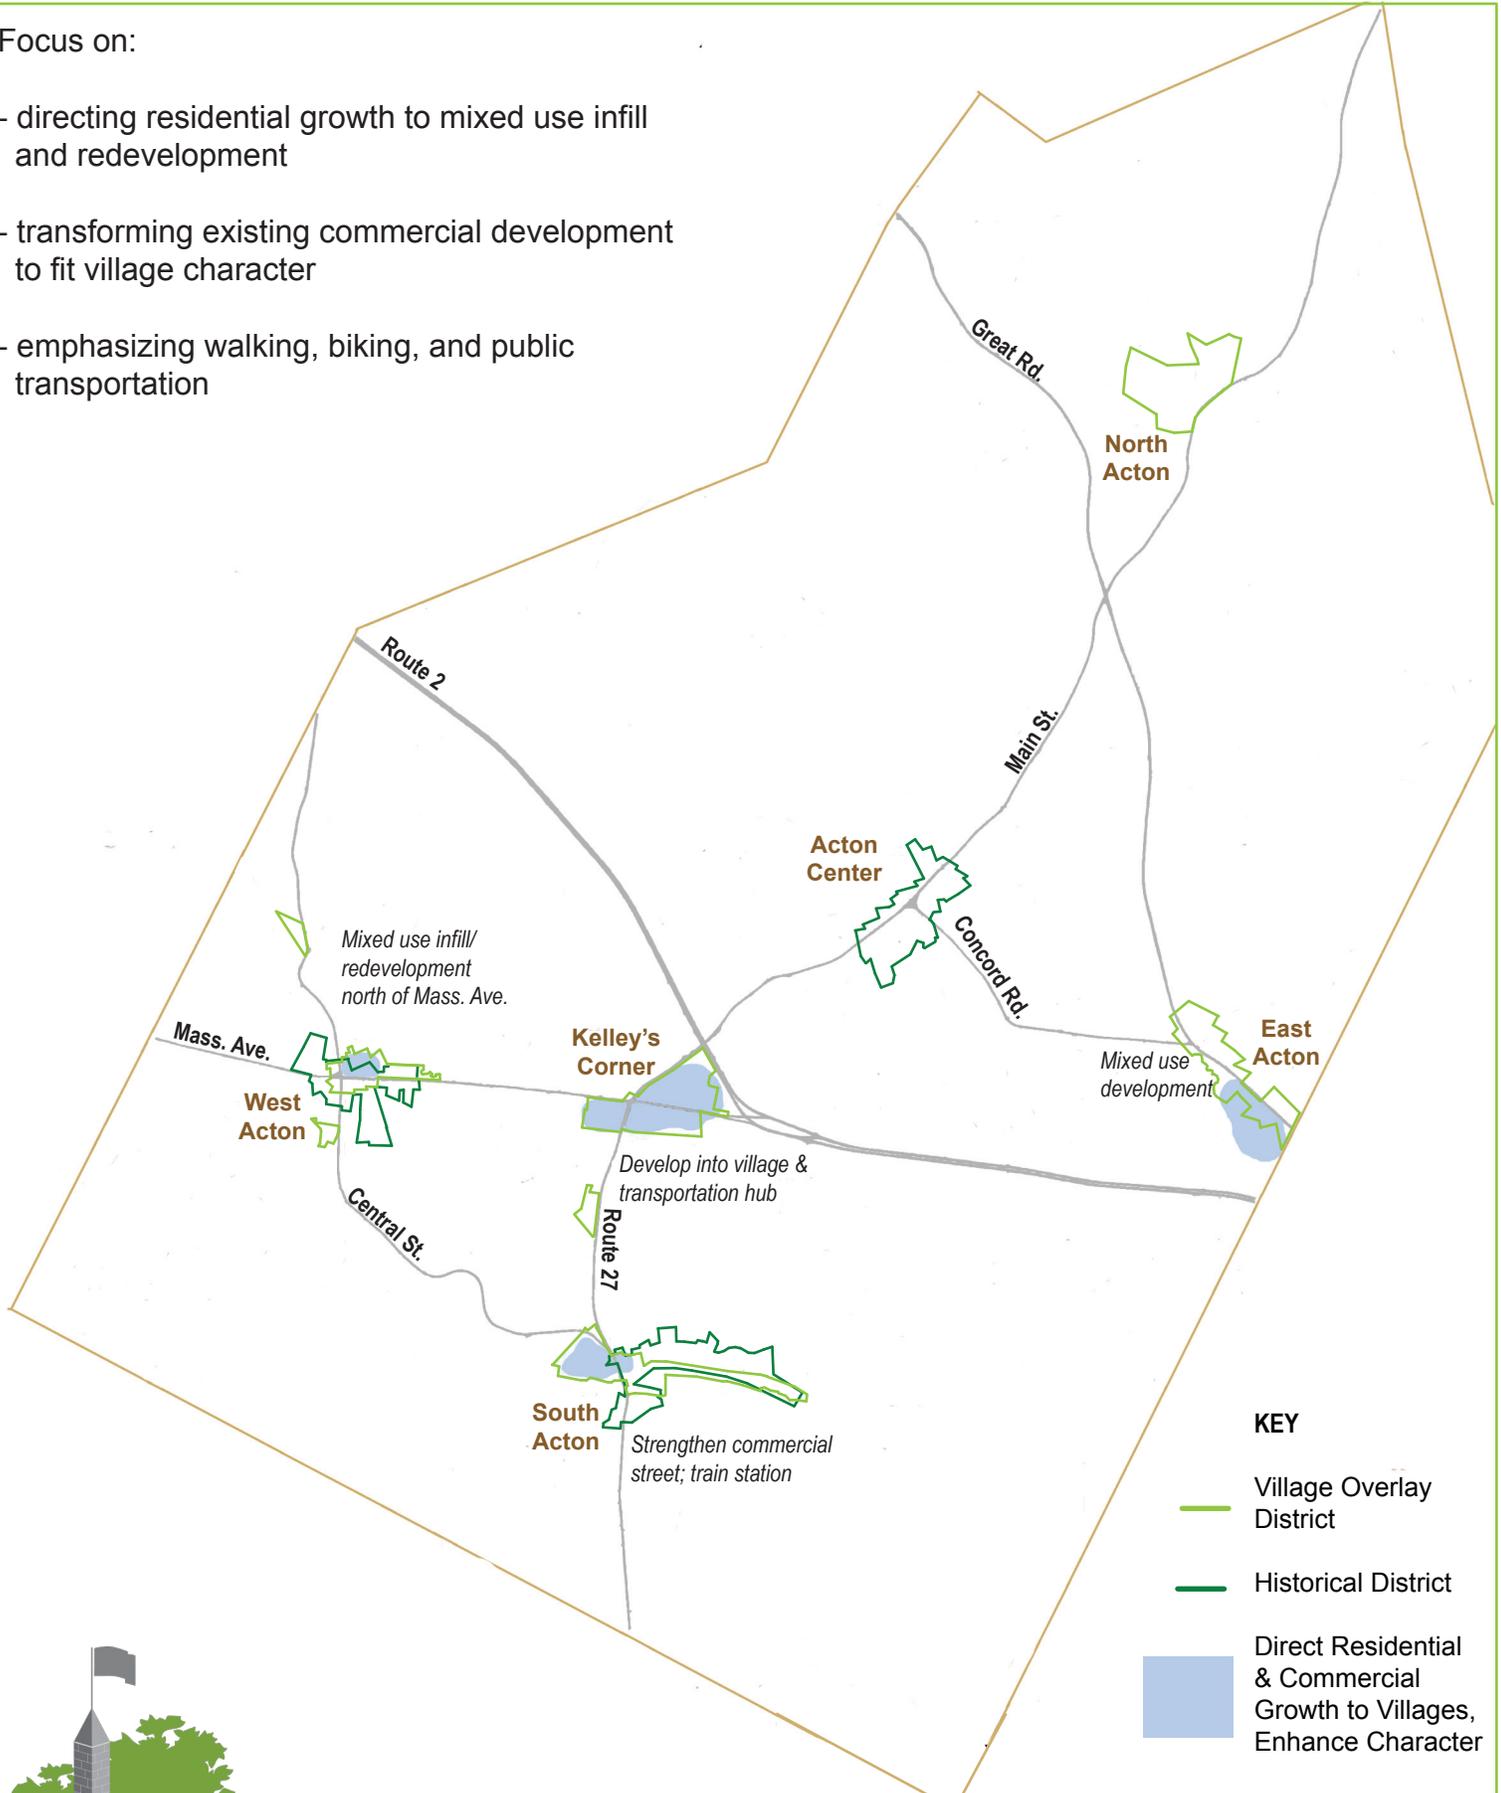

## Acton 2020 CHOOSE YOUR ACTON

### Alternative 2: Limit Growth

Limit Residential/Expand Commercial/Acquire Open Space

Focus on:

- directing residential growth to mixed use infill and redevelopment
- transforming existing commercial development to fit village character
- emphasizing walking, biking, and public transportation
