Members of the Commission,

On behalf of our client, Westchester Homes, we hereby request a Certificate of Compliance for the referenced file. Based upon an As-built surveys conducted during construction and a final inspection of the site on this date, it is our opinion that construction has occurred in substantial compliance with the plan of record and the Order of Conditions.

The noted deviations outlined in a letter from our office dated August 4, 2010 have been addressed as follows:

- The driveway pavement has been cut back to maintain the 75 foot setback from wetland shown on the plan.
- The applicant has installed 5 stone bounds along the limit of work line to address Special Condition 1.

If you have any questions, please feel free to call.

Very truly yours,

Stamski and McNary, Inc.

Joseph March, P.E., P.L.S.
