RE: Donation Acceptance – Redmond Corp.
NARA Playground Surfacing Renovation \$12,225.00

Please accept the donation of labor and materials by Redmond Corp. to renovate the surfacing of the NARA Playground during the month of December, 2011. This effort has solved a drainage issue on the grounds of the playground, which caused muddy conditions after rainstorms. Redmond Corp. removed the existing surfacing, installed perforated pipe along the fence perimeter to channel excess water out of the playground, installed a stone subsurface and spread 200 cubic yards of wood fiber playground chips over the subsurface of stone. The playground chips were purchased by the Recreation Dept. for \$4,000.

Equipment and Labor: \$10,125.00
Materials, Pipe and Stone \$ 2,100.00

Total Donation Value: \$12,225.00

Thank you.
