Since it is a warrant article, I think we should schedule for 3/12

Should the BOS schedule a presentation prior to Town Meeting about the Lower Field project, given how much the financing plan has changed since the presentation last year?

Dear Janet,

I understand that you have been assigned the Lower Fields Project for the BOS.

I look forward to working with you.

Bill Mullin and I would be happy to make a presentation to the BOS at a time convenient for the BOS.

We are also happy to meet with you and welcome your advice on making the proposal a success at Town Meeting.

Thanks.

Dave
