A little history:

In the Fall 2003, EAVPC members applied for Community Preservation Act (CPA) funding to construct the EAV Green. Several EAVPC members expressed an interest in supporting the EAV Green by providing a donation to the project. At the 2007 Annual Town Meeting (ATM) approved funding for the EAV Green project. One of the conditions of project approval is that \$30,000 from private donations must be pledged in order to receive the CPA funding, which is why donations have been asked and might be received.
