OK, thanks for the heads up.

Christine, could get this on the April 23rd agenda as a consent item?

John  
Chris Shaffner will be stepping down as full member at the end of June. The GAB recommends to the BOS that Bruce Friedman, who has been an alternate member for the past year, be "promoted" to full member. We are also searching for a new alternate member. Let me know if you have any questions or need additional information.
