Please accept the following donation from Barbara Tallone, 49 Brucewood East Road Acton of a Nintendo Wii for use at the Senior Center in the amount of \$150.00

Thank you.

MARCH 20, 2012

TO: SHARON MERCURIO
ACTON COUNCIL ON AGING

I understand that the Wii game unit at the senior center was struck by lightening and is no longer in working order.

Since they say lightening does not strike the same place twice – here is a new unit for the senior center.

Please accept this as my gift to the center and all the folks who attend your great programs.

I will not be returning to the COA Board next year and I wanted to do a little something in honor of all the great folks I've met and worked with over the last few years. It was a true privilege.

I wish everyone continued success and good health in the years to come. And I expect to be invited to the ribbon cutting ceremony when the new senior center opens.

All the best,

Barbara Tallone, Chair COA Board
