INTERDEPARTMENTAL COMMUNICATION

To: Board of Selectmen

Date: April 12, 2012

From: Engineering Department

Subject: National Grid – Gas Main Petition – Main Street (School St to Kelley Rd)

We reviewed the petition from National Grid to install approximately 4150 feet, more or less, of 8-inch gas main from School Street to Kelley Road.

National Grid will be required to abide by the Town of Acton Specifications for Regulating Construction Within a Public Way and will need to coordinate detours with the Police Department. Due to the location of the construction, National Grid should consider beginning construction during the summer months to minimize the traffic impacts on Main Street.

We do not foresee any problems with granting this petition. If you have any questions, or need additional information, please let us know.
