Good afternoon Ms. Overstreet,
I was finally able to order a tree and it will be delivered tomorrow, 6/1/12. It is a Japanese Maple and the cost of the tree was \$325.00 with a delivery charge of \$40.00. Please let me know if you need further information. Thanks so much for all of your help! If it's not too much trouble, could you let me know when it has been planted so I can bring my mother to see it. Thanks.~Susan Holland
