I don't think their application for a Liquor License can be used to correct conditions that already exist. This is the first I have heard these complaints. The Selectmen can control hours of Operation for the License. Perhaps Building and Police can address the issues with noise and trash. But I believe the board cannot condition a liquor license on the noise and trash issues outlined below

**Subject:** Idlewilde liquor license application

Dear Board of Selectmen,

With regard to Idlewilde's application for a beer & wine license i would like to offer the following for the Board's consideration:

I live directly across from Idlewilde. I think it is a great business and i hope they continue to do well and grow the business as opportunity presents.

While i do not have an objection to the beer & wine license itself, I have two points of contention with the proprietors.

The first is truck idling. The loading docks face the residential neighborhood of Indian Village and the noise of idling trucks and the back-up beeping can be heard every time it occurs. This is specifically an issue before

7am. My family has been awoken between 4am and 7am by these noises on numerous occasions. This includes the 'turkey truck' they park in front of the store for 3 or 4 days leading up to Thanksgiving, running a refrigeration system non-stop. I assume it is placed there for the billboard it provides. I'm sure alternative signage could be placed in front, and the truck moved to the rear.

The second issue is trash. We pick up trash from our front yard, that has blown across from Idlewilde, several times a week. While I'm sure some of this can be attributed to living on a relatively busy street, most of this trash comes directly from Idlewilde in the form of plastic bags, till receipts, hand wipes and packaging.

In raising these issues with the owners, I (and others) feel that we have essentially been ignored. As such I respectfully request of the Board to impose two conditions of this permit:

1. Restrict deliveries to 'not before 7am'.
2. Require trash pick up trash twice a day, just after lunch time and at close of business.

I do not believe these conditions to be overly burdensome on the applicant's ability to run a successful business.

I wish Idlewilde every success in their beer and wine venture, and continued success with the rest of the business.

Thank-you for your attention to this matter.

I can be contacted at the number below if you wish to discuss.

RE: Application for Beer & Wine License

Dear Rich:

This letter shall confirm that Middlesex Savings Bank has been doing business with Idylwilde Farm Inc. for over twenty-five years, and that at the present time, the Bank makes available to Idylwilde a low six-figure working capital Line of Credit. That Line of Credit has seen very limited usage and is fully-available today. In addition, the Bank has provided real estate mortgage financing in the low seven-figure range. At the present time, our real estate loan to the Company shows a medium six-figure outstanding balance.

All obligations of the Company have been handled according to their terms with no problems whatsoever. The Bank would welcome an opportunity to provide additional financing in whatever form the Company may need.

In addition to the above, I am confirming that the Company maintains its deposit accounts with Middlesex Savings Bank and continues to handle those accounts without issue.

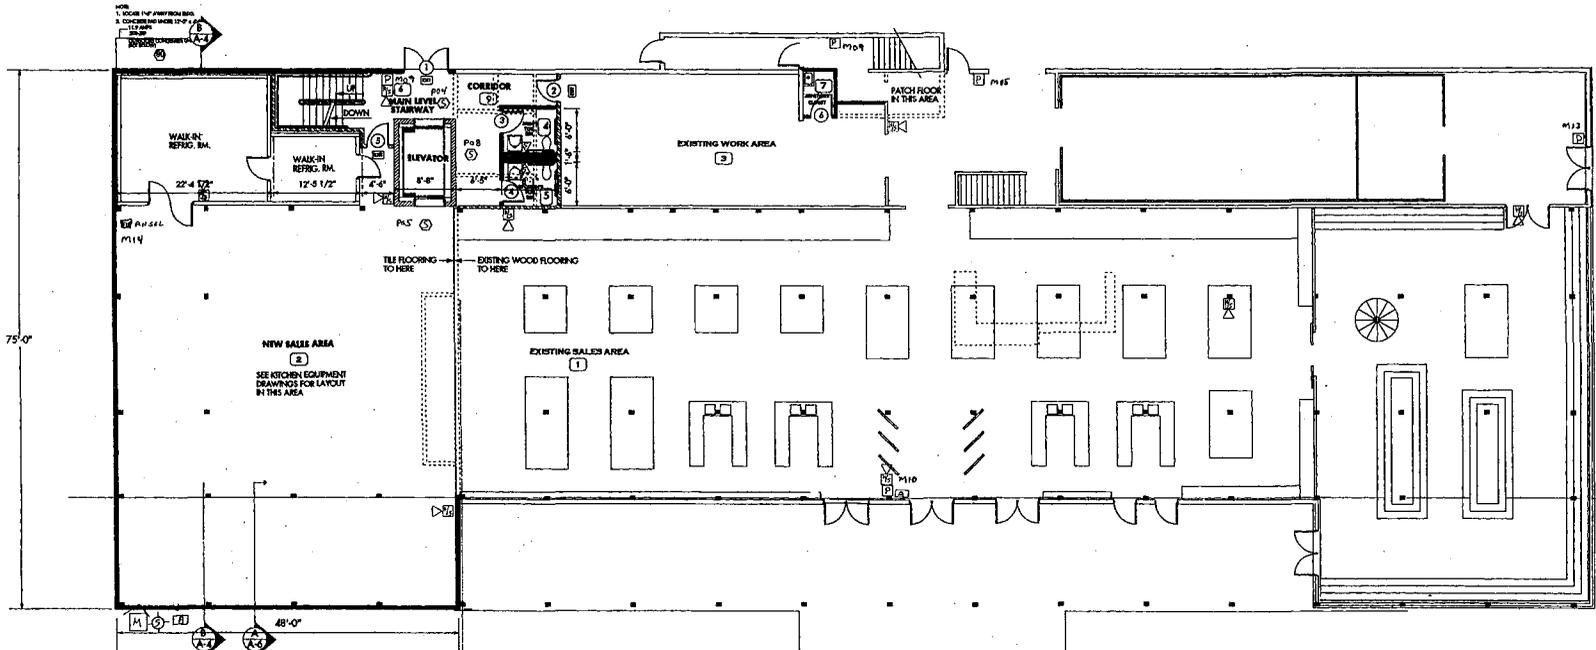

We hold Idylwilde Farm, Inc., its principals, and its management team in very high regard, and would strongly recommend the Company for any normal business dealings.

If I can provide any additional information or assistance, please feel free to contact me as detailed below.

Very truly yours,
