Fax: (978) 694-9008

August 2, 2012

To whom it may concern;

At this year's annual meeting that was held on June 28, 2012 two motions were made, seconded and voted on. The meeting was held at the Acton Library located at 468 Main Street, Acton MA and a majority was present from the community.

One of the motions made at the meeting was to eliminate the planned walkway from the property to the Brookside Shops and the walkway from the property to the Bertolami land. This motion was seconded and a vote was struck not to proceed with the two planned walkways.

If there are any questions regarding the voting process or anything in question don't hesitate to call me.

Sincerely,

Amy Broadbent

Director of Operations
J. Butler Property Mgmt.
Agent for/Ellsworth Village
