On September 10, 2012 the Volunteer Coordinating Committee met and interviewed Gary Yu for an associate position on the Board of Assessors. He is a software engineer and is very interested in this committee. Mr Yu has attended town meetings and did a great deal of volunteering for the town of Westford. He called the town office to get the details and responsibilities of this position, thus realizing he has to attend a training session.

We voted to move his name forward for further consideration .
