To the Acton Community Preservation Committee:

The West Acton Baptist Church (WABC) intends to submit an application to you on November 26, 2012, for a Community Preservation grant.

Please add us to the agenda for your November 8, 2012 meeting, if you can. We would like a few minutes to present an overview of our application plans, answer any questions you may have, and solicit your feedback and guidance.

Thank you for your consideration.
