Re: CPA Application Priority List

The Board of Selectmen reviewed all applications from Town Departments and Committees for funding from the CPA for FY14 on November 19, 2012 and voted their priorities. It should be noted that the list is considered preliminary as it is our understanding that the submittal for the Morrison Farm by the Morrison Farm Reuse Committee has been granted an extension for their application to the CPC in order to get firmer numbers. The Selectmen would like to review that application once again when the updated cost estimates are available. Below are the preliminary rankings, please note there were 3 ties:

1. NARA Picnic Pavilion
2. Open Space Funding
3. (Tie) Elm Street Playground and Tennis Court; Wildflower Boardwalk, Arboretum
4. (Tie) Street Trees; HDC Revolving Loan Program
5. (Tie) Morrison Farm; Design of NARA Upper Fields Comfort Station
6. Goward Playground
7. Electrical Shed, NARA
8. NARA Sign
9. ASA Parlin House
