To Acton Board of Selectmen,

My name is Ethan Pailes, and I did my eagle scout leadership service project on town land. I put up ten bat boxes at Nara Park, Heath Hen Meadow, Jones Field, Great Hill, and Douglass School. I have now completed my fundraising project and raised money above and beyond what is necessary to cover the costs of raw materials. I would like you to accept to money to be used for maintenance on Acton Conservation Land.

Sincerely,

Ethan Pailes
