Dear Acton Board of Selectmen,

Please accept my enclosed donation check in the amount of \$281.50. I earned the money during my Eagle Scout project fundraiser in order to reimburse some of the costs of building a boardwalk at Grassy Pond conservation land. I would like to request that the money be deposited into Natural Resources Department account # 550 3146 to be used for future conservation trail maintenance projects. Thank you.

Sincerely,

Greg Rachman *Greg Rachman*
