

# Kelley's Corner

*The Corner that Connects Us*

February 14, 2013

Please join the Acton 2020 Implementation Committee on February 27<sup>th</sup> at 7PM in Town Hall Room 204.

As a neighbor to Kelley's Corner, you are an important stakeholder; help make Kelley's Corner an asset to the Town.

Learn about the Acton 2020 Plan Implementation phase & the process for improving Kelley's Corner

During the Acton 2020 community planning process, residents showed great enthusiasm for cultivating increased **community, character & connections** in Kelley's Corner. It is time to take the first step in making our goals a reality! This extensive process begins with defining our needs and desires for Kelley's Corner.

A capital request for \$277,000 in the Board of Selectmen's proposed FY14 Budget will allow us to hire a design and engineering team to help define and match our vision with viable zoning/design guidelines, and a preliminary infrastructure improvement plan that incorporates:

**COMMUNITY:** Informal gathering places and attractive destinations for all Actonians

**CHARACTER:** Design guidelines and zoning rules, to create a more appropriate gateway to our town

**CONNECTIONS:** New and better sidewalks, signals, ramps & crosswalks, underground utilities, and bike lanes. Places you can get to!

For more information please contact the Acton 2020 Implementation Committee at [Acton2020@acton-ma.gov](mailto:Acton2020@acton-ma.gov) or call 978-929-6631.
