Hi, Leo:

You are scheduled for a hearing continuation on March 11, 2013 (7:45 PM) on above referenced site plan matter. You have two months to prepare for this hearing session.

This will be the 7th hearing continuation date on the matter, which has been before the Board since July 2011. Please review the files and prepare comprehensive adjustments to plans and submission documents & responses to comments and concerns (departmental staff & abutters) for the Board of Selectmen's consideration.

→ My recommendation to the Board will be to take the matter under advisement, close the hearing, and then render a decision based on the documents and testimony on record at that time.
