

West Acton Baptist Church
592 Massachusetts Avenue
Acton, Massachusetts 01720-2238

Reverend Jeffrey Long-Middleton, Pastor

April 22, 2013

Roland Bourdon, Chair
Community Preservation Committee
Town Of Acton
472 Main Street
Acton, MA 01720

Dear Roland,

The West Acton Baptist Church greatly appreciates the support of the people of the Town of Acton, the Board of Selectmen, the Historic District Commission, and especially the Community Preservation Committee, in approving two grants that will enable the congregation and the community to restore, rehabilitate and preserve this historic church building which has long served as a landmark in the Village of West Acton, and a familiar beacon for the residents of Acton and surrounding communities.

Our church and its members have a long history of serving the local community. We are truly grateful to know that our contributions are appreciated, and that our church's and our town's investments in each other are so warmly encouraged to continue, as we share in our future together.

We want you to know that the two-paragraph message above, expressing our appreciation, is posted on our web site, is appearing in our weekly church service bulletin for the coming month, and will be repeated there in the fall. It expresses the true sentiments of our members, who have applauded during Sunday worship with the announcement of each step forward in the CPC's grant approval process.

Most sincerely,

Nancy Hoover, Moderator
Chair, Properties Team

Rev. Jeffrey Long-Middleton, Pastor
