Hi John,
Re. the Veteran's Department expenses account 57100 this year as compared to last year, we have two open cases this year. Last year no one applied for assistance. One of the cases this year may continue until the veteran is able to file for his social security August 2004. The other case may not last too much longer.

I did not see that Peter's memo was sent out to the department heads; therefore I am forwarding it to you. I apologize if it has been sent out previously or you folks spoke to it at staff meeting.

I have assigned certain department head names to certain questions and they need to prepare a response. However, all department heads should review **all** questions as prep for Saturday morning.

Please prepare your responses in writing and send them to me for compiling into one document by Thursday at close of business.

Thanks.

Don:

I have completed my initial review of the budget presentation and notebook and attached you will find a memo outlining questions and requests. As I indicate in the memo, I do not require answers prior to the Saturday budget meeting - these questions are posed in advance simply so that staff can respond fully at that time.

For your information, I will be out of town from the 28th through the 2nd of January.

Thank you and Happy New Year.

Peter
