We met with the Bohler engineers last week regarding the Main Street Plaza improvements. The improvements are minor enough that they wouldn't warrant an extensive review from our department. Corey suggested working out an easement agreement for the sidewalk along Main Street for future maintenance but other than that we don't see any issues on our end.

Does next Tuesday (5/21) afternoon at 2pm work for everyone? Please let us know if otherwise. I'm assuming the meeting will be held at Town Hall (472 Main St), but let us know if you'd like to meet somewhere else.

Thanks,

Hi Corey & Paul,

Would you be able to meet with us and discuss some limited improvements that are proposed to the Acton Plaza Shopping Center? The owner (Edens) is looking to file a Site Plan Amendment with the Board of Selectmen and based on our discussions with Planning Director Roland Bartl, he suggested we set something up with you to give you a brief overview of the project and obtain feedback on same.

Can you please let us know some times you might be available later this week or next week?

Thanks,

Randy Miron
