Kristen,

As one of the Trustees for the Historical Society I have been asked to follow this hearing. Our only concern as an abutters is the night work on the Main Street side of the plaza as we have a tenant in Hosmer House. I saw Chief Widmayer's comment about possibly working areas near residences earlier in the day and wanted to make the board aware that someone actually lives in Hosmer House.

Thanks,

Belle Choate  
Hosmer House/Jenks Library Trustee  
Acton Historical Society
