Thomas F. Broderick, P.E., Chief Engineer  
MassDOT – Highway Division  
10 Park Plaza, Boston, MA 02116-3973  
Attn: Michael Papadopoulos, Project Manager

The final date for receipt of written statements and exhibits for inclusion into the official hearing transcript will be ten (10) days after the Public Hearing.

**PLEASE TYPE OR PRINT LEGIBLY.**

My concern is with the stretch of the proposed trail from Ice House Landing to the stop town line + terminus of the trail. As has been pointed out this stretch is a "country road" and abuts the river. My suggestion would be to start the trail at ice house landing and leave this relatively short stretch undisturbed. This will allow continued use of this stretch as exists currently while bringing the value of the Rail to the community.
