RE: Kelly's Corner Pedestrian Improvement Project – Acton, MA

To Whom It May Concern,

I am writing this letter to show my support of the Kelley's Corner Pedestrian Improvement Project grant request for the intersection of Route 27/Main Street and Route 111/Massachusetts Ave. Our existing and proposed private investments in the area will benefit tremendously from the project. This project will increase safety for pedestrians and upgrade the major arterial intersection which brings many surrounding communities to the business center.

The approval of this grant would be a catalyst for future growth and development of Kelley's Corner.

Sincerely,

Sam Judd
Vice President Investments
