Dear Ms. Gorman,

I am a resident at 21 Lincoln Drive and I am very concerned about the potential addition of a cul-de-sac road development at 27 Jackson Drive. I believe it is too much of a concentration of homes in a small area and it will negatively impact the neighborhood.

Please keep me informed of any future actions regarding this development and please share my concern and opposition to this development to the Planning Board and all interested and responsible parties.

Sincerely,

Joe Biggins
