Engineering Department

INTERDEPARTMENTAL COMMUNICATION

To: Planning Department

Date: August 21, 2013

From: Engineering Department

Subject: Review of Sign Special Permit, 171 Great Road

The Engineering Department has reviewed the sign special permit for the Chevrolet facility located at 171 Great Road. The proposed freestanding sign and wall signs will not obstruct the sight distance of vehicles in the site or on the adjacent road.

According to our records, there are no existing easements on the property that would create a conflict with any of the proposed signs. There is a "right-of-way" shown on the property however it doesn't appear the freestanding sign is located within that area.
