Allura,
Would you please deliver the following to the Acton Conservation Commission, and cc Bill and Joe, the following letter.

Terry Maitland, Chairman
Acton Conservation Commission

At a regular meeting of the Acton Cemetery Commissioners on August 14, 2013, the Commissioners voted, finding no benefit to the cemeteries, to deny a request for a right-of-way over Mt. Hope Cemetery land to the so-called Madden property.
Brewster Conant
Chairman, Cemetery Commissioners
