Jean,

I will forward this to the Manager's Office so that it can be voted on by the Board of Selectmen, hopefully at their meeting on 9/9. The new policy is that no signs can be posted on the monument triangle, but you probably will be allowed to post the sign in front of the Women's Club (that lawn being part of the Common), or in front of the Municipal Properties office at 468 Main Street, where the Garden Club put their sign this spring.

I will advise you when/if approval is granted.

Regards,

Dean Charter
