Information Technology Dept.

The MBTA Advisory Board

July 8, 2013

Dear Chief Elected Official:

As a member community of the MBTA, you have the right to attend meetings of the MBTA Advisory Board. The Advisory Board serves as the public oversight of the MBTA examining and reporting on the MBTA's annual budget and 20-year Capital Plan. The Advisory Board also reviews and comments on a wide range of transit issues and serves as a venue for communities to speak directly to MBTA representatives.

You may attend the Advisory Board meetings, or you may designate somebody to represent your community when you are not available. All mailings from the Advisory Board are addressed to both the Chief Elected Official and to your designee, so you will always know the current issues facing the Advisory Board. Your designee is empowered to vote and speak for your community.

We want to keep our records current for our mailings, so please notify the Advisory Board of your current Chair of your Board of Selectman or Mayor.

Also, please notify us of your city/town designee. We need their contact information (name, address, telephone and email address) on city/town official letterhead. We have attached an Membership Update Form that you can fax to Ms. Gaul at 617-451-2054 prior to forwarding the official letter.

Please forward the letter to my office as soon as possible. If you have any questions, or need additional information, please feel free to contact Ms. Gaul at (617) 426-6054.

Sincerely,

Paul Regan
Executive Director
