## **2 FINDINGS and CONCLUSIONS**

Based upon its review of the exhibits and the record of the proceedings the Board finds and concludes that:

- 2.1 The Site is located within the Office Park 2 (OP-2) zoning district.
- 2.2 The Applicant requests a special permit for one new wall sign at the Site that would not otherwise be allowed under the Bylaw:
  - a) With a height, in excess of the 3 feet as prescribed by Bylaw Section 7.7.4.2. The height of the proposed Sign is 4 feet.
  - c) With a width, in excess of the 8 feet as prescribed by Bylaw Section 7.7.4.4. The proposed width is 11.6 feet.
- 2.3 The Sign may be allowed on the Site by special permit in accordance with Sections 7.13.1.2 (a) of the Bylaw.
- 2.4 The Sign is positioned approximately 1 foot from the horizontal edge of the building, approximately 10.5 feet from any vertical edge of the building and 6 inches or more from architectural features.
- 2.5 The portion of the Sign that reads, "Allen" is made of individual internally illuminated letters. The portion of the Sign that reads, "A Hill-Rom Company" is not to be lit.
- 2.6 The Sign is consistent with the character and uses of the area and with the Zoning District in which it will be located.
- 2.7 The Sign is appropriate in scale, design, and proportion relative to the buildings in the area and to the general surroundings. It is attractively designed, appropriately located, and will be compatible with the buildings to which it principally relates, and it is in harmony with the general area of the Limited Business District.
- 2.8 The Sign is a continuous part of an integrated architectural design of the entire Site.
- 2.9 The colors and materials of the Sign are restrained, and in harmony with the buildings.
- 2.10 The materials used for the Sign are appropriate for the Office Park 2 and do not detract from the aesthetic qualities of the surroundings.
- 2.11 The number of graphic elements on the Sign are held to the minimum needed to convey their primary messages and are in good proportion to the area of the Sign's faces.
- 2.12 The Sign will not unduly compete for attention with any other signs in the area.
- 2.13 The Sign is necessary for adequate identification of the business at this Site.
- 2.14 The Sign as approved herein is appropriate for the Site; is consistent with the Master Plan; is in harmony with the purpose and intent of the Bylaw, specifically Section 7; will

not be detrimental or injurious to the neighborhood where it is proposed; and complies in all respects to the applicable requirements of the Bylaw and the Rules.

- 2.15 The Board has received comments from various Town departments, which are listed in Exhibit 1.2 above. The Board considered these comments in its deliberations, made them available to the Applicant, and incorporated them into this decision as deemed appropriate.
