Re: 60 Powder Mill Road
DEP 85-707 & 962

Dear Commission Members:

On behalf of our client, Leo Bertolami, this office is requesting that the Commission issue Certificate of Compliance for the projects covered by the Orders of Conditions issued under file numbers 85-707 & 85-962.

File under 67 Powder Mill
Copies of WPA Form 8-A for each filing are enclosed.

The project site is the Quick Lane building.

Based on visual observations all surfaces of the site are in an erosion resistant conditions and to the best of my knowledge information and belief the project has been constructed in accordance with the Orders of Conditions

We suggest that prior to any actions by the Commission that representatives of this office meet with Mr. Tidman to review this request and establish the procedures necessary for the Commission to issue the requested Certificates

Thank you for any considerations you may give this request.

Very truly yours,

Mark T. Donohoe, PE
