Re: 5 Sweeney Farm Lane
DEP 85-875

Dear Commission Members:

On behalf of our client, Elvani Neves Silva, this office is requesting that the Commission issue Certificate of Compliance for work completed at 5 Sweeney Farm Lane (Lot 2) covered by the Order of Conditions issued under file numbers 85-875

Please find enclosed WPA form 8A.

Based on visual observations, all surfaces of the site are in an erosion resistant conditions and to the best of my knowledge information and belief the project has been constructed in accordance with the Order of Conditions.

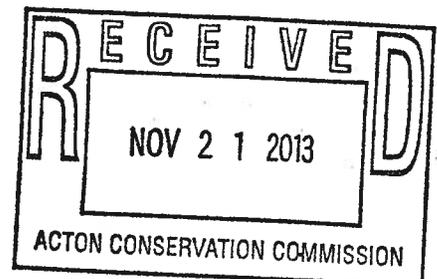

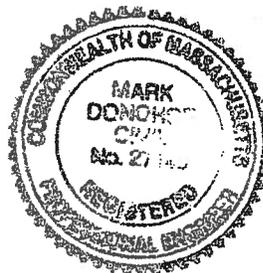

Bounds indicating the required mowing line have been installed and site inspections indicate that the mowing line has been observed.

Thank you for any considerations you may give this request.

Very truly yours,

Mark T. Donohoe, PE
for: Acton Survey & Engineering.
