Dear Porter,

We have been inspecting 1969 and 1970 Permits to Construct within a Public Way and found the following:

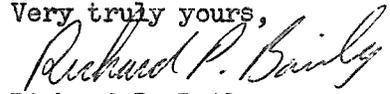

#69-98 3 Captain Forbush Lane

We found a poured bound at station 3 + 97.19 right, Captain Forbush Lane. In our letter to you on June 17, 1970 we stated we could not find this bound. It appears your surveyor set this bound and we need his certification in order to release this bond.

#70-93 55 Washington Drive Lot 351

As in the previous note we need a certification from your surveyor of a poured bound we found. On July 29, 1971 we sent a letter to you about the missing bound at station 0 + 49.46 right, Coolidge Drive.

Very truly yours,
