Re: Board of Appeals 40B Comprehensive Permit application for Post Office
Crossing, 6 Post Office Square, Acton, MA

.....

After review of the 40B Comprehensive Permit application for Post Office Crossing, the Health Department has the following issues with the current plan:

- No indication of soil testing performed (i.e. deep holes, perc tests) at site of proposed leach field

Soil testing must be scheduled with the Acton Health Department to evaluate the efficacy of having a septic system in desired location.
