Acton, MA 01720

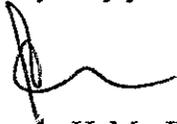

RE: F 16387  
POST OFFICE CROSSING  
ACTON, MA

Dear Chief Futterer:

During the review of the 40B Comprehensive Permit Application for the referenced project, the Engineering Department indicated that your office would need to approve the proposed roadway name. We are suggesting that it be Danielle Circle.

Please advise the Zoning Board of Appeals and this office as to any comments you may have.

Very truly yours,

James H. MacDowell
