Dear Acton Board of Selectmen,  
Please accept my enclosed donation check in the amount of \$170.00. I earned the money during my Eagle Scout Fundraiser to help pay for some of my project costs of building a boardwalk at Great Hill conservation land. I would like to request that the money be deposited into Natural Resources Department account #3146, to be used for future conservation land trail projects. Thank you very much.

Sincerely,  
Addison Reed
