Subject: Surplus
Attachments: Gandy Semi Commercial 8.docx

Hi Christine,
Could this please be added to the Selectmen's agenda. The COA is currently storing these items in a shed due to lack of space and would like them to be declared as surplus so they can be auctioned off.
Thank you,
Sharon

Gandy Semi Commercial 8' Pool Table purchased in 1993. Three piece slate, full assembled and includes a set of balls and sticks. Estimated value \$500. To be included in the Highway Department's surplus auction.

Wheelaway Playback table tennis table apx. 15 years old. Folds away for easier storage. To be included in the Highway Department's surplus auction. Estimated value \$75.

Both of these items are currently being stored in an unheated storage shed.
