CPC Grants & Applications

Thank you!

■ 2013

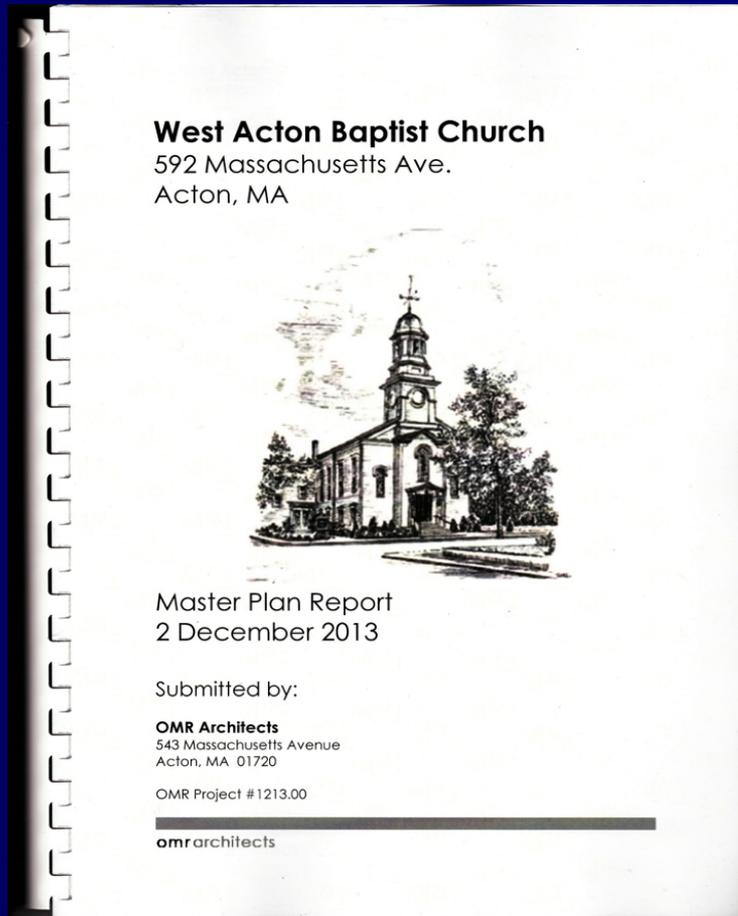

- ✓ ✓ Master Plan
- ✓ Thank you, OMR
- ✓ Belfry Restored
- ✓ Thank you, Bluefin

■ 2014

- Restore Ceiling
- Upgrade Fire Safety

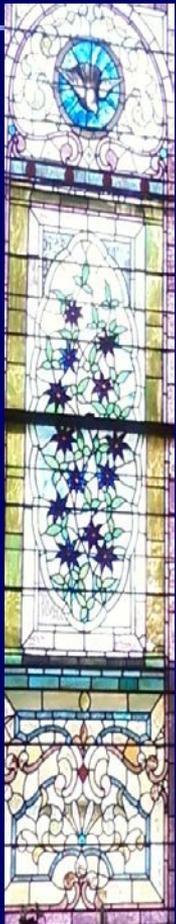

How you helped us... Master Plan by OMR

- Executive Summary
- 6 building analyses with code reviews
- Summaries of meetings, interviews, and presentations
- Preliminary cost estimates (deliberately high)
- Building diagrams, needs, & options

From the Master Plan

Future Project Options: Upper Level

- Extend stage, add ramp for access
- Paint walls & trim, rehab floor
- Upgrade lighting fixtures & switches
- Clean/repair stained glass windows

From the Master Plan

Future Project Options

AUDIO / VISUAL

Upper Level

- AV recording
- Assisted listening
- Control booth

Main Level

- Projector & screen

Nursery

- Live TV from above

From the Master Plan

Future Project Options: Main Level

- Renovate main floor and library with AV & acoustic panels
- Renovate kitchen to caterer standards
- Expand multiple uses for groups & functions

From the Master Plan

Future Project Options: West Entry

- Improve west entry access with grade-level ramp & wider approach
- Redo west entry landing, lobby, stairs & handrails
- New wayfinding signage

You also helped us restore **THE BELFRY**

2013 Belfry Restoration

Before

After

2013 Belfry Restoration

Bluefin attached a come-along up inside the dome...

... raised the bell assembly a few inches to replace the floor under it, then set it back down.
