Re: Board of Appeals 40B Comprehensive Permit application for Post Office
Crossing
6 Post Office Square, Acton, MA

.....

Dear Mr. Keilty,

I found the soil testing which we have on file for 6 Post Office Square. We do need to make sure that the deep holes and percolation pits are both expressed and labeled on the subdivision plan so that we know which hole is which.

Also, additional testing may be required. Is 6 Post Office Square intended to be condominiums with individual ownership or to be a shared system with individual ownership?

Best,

Evan Carloni
