Dear Ms. White and Mr. Corp:

It has come to our attention that you may be dumping grass clippings and/or yard debris over the property line onto Acton Conservation Land (Great Hill).

Below is a photo of the property line stake marked with red paint next to a rock. We would be grateful if you could please move your grass clippings back onto your property and be mindful of the line in the future. Dumping on town property is not legal and could be met with a fine.

If you have any questions or concerns, please feel free to contact the Conservation office at Acton town hall 978-929-6634.

Thank you very much for your cooperation in this matter.

Sincerely,

Terry Maitland, Chairman of the Acton Conservation Commission
