Fitchburg, Mass. 01420

Att: Mr. Shine

Dear Sir:

The New England Tel. & Tel. Co., through Paul J. McDowell, applied for a permit to open Parker Street in Acton on June 11, 1968. A permit (68-80) was subsequently issued.

After an inspection I find that the area has not been left in a condition satisfactory for acceptance to the Town.

I will be happy to discuss the matter with you so that the matter may be closed.

Very truly yours,

Anthony L. Galeota, Jr.
Town Engineer
