Mrs. James C Mao
35 Tuttle Drive
Acton, Mass. 01720

Dear Mrs. Mao:

I have spoken with Dave Moulton concerning the missing section of curbing in front of your house. He assures me that this section of curb will be replaced at the time he finishes the drive and repairs the sidewalk at Number 33 Tuttle Drive. I expect this work will be done in a few weeks.

In any case this work is covered by a town permit to construct within a public way #76-42 (this includes a \$250.00 bond which is normal procedure). The obligation under this permit will not be released until the curb is repaired to our satisfaction.

Sincerely,

David Abbt

Assistant Town Engineer
