

The Acton Coordinating Committee met Feb 24, 2014 and interviewed Robert Condon for SATSAC as a neighbor he has attended meetings and was asked to replace the vacancy as the neighborhood representative. Has lived in Acton over 40 years and always attends Town Meeting. Graduated from ABHS. Has never been on a Town Committee but would like to start volunteering.

We voted to send his name for further consideration .

Friends,

After considerable reflection, I've decided to step down from my position on the South Acton Train Station Advisory Committee (SATSAC). I've accomplished nearly everything I set out to do; I no longer feel that I am at my best on the committee and it's time to find other outlets for my energies.

To ensure that the neighborhood gets full representation as defined in SATSAC's charter, Bob Condon of Martin Street will be applying for a position on the committee. Bob has been a frequent attendee at SATSAC meetings, has a clear interest in what happens at the station and the technical background to understand the construction aspects. Bob is a long-standing resident of South Acton and is well connected in the neighborhood. I trust he will represent it well.

My plan is to stay on until Bob's membership is confirmed. I also plan to continue with the historical panels subcommittee until that work is completed.

"Thanks for the memories..."
